Amy,
Can you share the sign in sheets and Community Interviews with me so I can update our mailing list and compare the interviews to the info. I have. The decision on the lead on the site is way beyond my pay grade. I'm sure a decision will be made in the near future, but that shouldn't affect us sharing information.
Thanks,
Bill

Bill/Joy,

DEQ wants to take the lead on community involvement for the Wilcox Oil Company Superfund site. We will be starting the community interviews portion of preparing the Community Involvement Plan in the next few weeks. If you have any questions feel free to talk to Todd Downham the DEQ project manager. We may be calling you for advice and bounce ideas off of you. We will also let you guys review our draft CIP when it is ready.

Let me know if you have any questions!
